**Publishing rate in the top %10 ranked journals in the world**

- World 24.9%
- Europe 27.2%
- Türkiye 15.1%
- IZTECH 39.4%

World /Europe / Türkiye / IZTECH Scientific Output (2017 - 2022)				
	World	Europe	Türkiye	IZTECH
Citation per Publication	7.8	8.7	7.1	11.4
Field Weighted Citation Impact	1.00	1.13	1.03	1.19

International Cooperation
(Articles with international co-authors)

- World 21.1%
- Europe 38.7%
- Türkiye 26.0%
- IZTECH 43.8%

Source: Elsevier /Scival (30.01.2023)

A Quality Experience

- Language of instruction is English
- 1 instructor for 10 students
- Scholarship opportunities for graduate students
- Basic medical care on campus
- Professional psychological support
- Accommodation opportunities on campus

İZMİR INSTITUTE OF TECHNOLOGY

Undergraduate Programs

ARCHITECTURE
Architecture • City and Regional Planning • Industrial Design

ENGINEERING
Bioengineering • Chemical Engineering • Civil Engineering • Computer Engineering • Electronics and Communications Engineering • Energy Systems Engineering • Environmental Engineering • Food Engineering • Materials Science and Engineering • Mechanical Engineering

SCIENCE
Chemistry • Mathematics • Molecular Biology and Genetics • Photonics • Physics

Master of Science Programs

Architecture • Architectural Restoration • Bioengineering • Biotechnology • Chemistry • Chemical Engineering • City Planning • Civil Engineering • Computer Engineering • Electronics and Communication Engineering • Energy Engineering • Engineering Management • Environmental Engineering • Food Engineering • Industrial Design • International Water Resources • Materials Science and Engineering • Mathematics • Mechanical Engineering • Molecular Biology and Genetics • Photonics Science and Engineering • Physics • Polymer Science and Engineering • Software Engineering and Data Science • Technology, Design and Innovation Management • Urban Design

PhD Programs

Architecture • Architectural Restoration • Bioengineering • Chemistry • Chemical Engineering • City Planning • Civil Engineering • Computer Engineering • Electronics and Communication Engineering • Environmental Science and Engineering • Food Engineering • Industrial Biotechnology • International Water Resources • Materials Science and Engineering • Mathematics • Mechanical Engineering • Medical Biotechnology • Molecular Biology and Genetics • Photonics Science and Engineering • Physics • Urban Design

53% Male **47%** Female
5864 Undergraduate Students
946 MSc Students
474 PhD Students

A diploma recognized in Europe with **ECTS** diploma supplement and diploma label

First Place with the number of students going to Europe with Erasmus
108 Erasmus Bilateral Agreements
24 Non-Erasmus Bilateral Agreements

Teknopark İzmir
A technology development area founded in IZTECH campus by the partnership of the prominent industrial corporations in İzmir and public institutions. Selected to the "ACCELERO (Accelerating Local Innovation Ecosystems in Europe) Program" as one of the ten institutions in Europe.

IT Valley İzmir
An ecosystem where infrastructure for a country that transfers high technology is prepared, technological knowledge is produced and job opportunities for researchers are created.
