 My Documents

If you are submitting your documents via the “My Documents > Add Document” tab, please edit your application in the “My Applications” section and complete the final step, “Approval”.

1. A Social Security Institution Service Record obtained separately for the **mother and father from e-Government**, along with a payslip or document proving their income.
 - Even if the mother or father is not working, you must provide proof of this with an SGK Service Record.
2. If the mother or father is retired, their pension statement.
3. A detailed criminal record extract obtained by your mother or father via e-government. **You must upload this document to the system via your mother or father's e-government account**, ensuring it includes your sibling's details. Your own criminal record extract obtained via your e-government account will not contain your sibling's details.
4. Receipt for rent payment for those who declare that their family lives in rented accommodation.
5. A medical report documenting any chronic conditions or illnesses.
6. Students who meet the following criteria may benefit from the meal scholarship if they so desire, without being subject to a public announcement or evaluation.
 - Students who provide documentation proving they are national athletes,
 - Students with a disability of 40% or more, provided they submit a medical report,
 - Students who provide documentation proving that their mother, father, or sibling is a martyr or veteran,
 - Students who have achieved success on behalf of the Institute (The criteria and procedures for selecting high-achieving students are determined by the Student Affairs Office with the approval of the Rector)
